

GUIDELINES FOR SOCIAL DISTANCING

What does physical distancing mean?

This means making changes in your everyday routines to minimize close contact with others, including:

- limiting contact with people at higher risk (e.g. older adults and those in poor health)
- keeping a distance of at least 2 arms lengths (approximately 2 metres) from others, as much as possible

Here's how you can practise physical distancing:

- stay home as much as possible, including for meals and entertainment
- grocery shop once per week
- use technology to keep in touch with friends and family

Remember:

- **NO OUTSIDE VISITORS UNDER ANY CIRCUMSTANCES**
- the Park is closed to the general membership at this time and an outbreak of COVID-19 could delay park re-opening
- common areas of the park are off limits just as other outdoor spaces are off limits for Ontarians
- please go directly to your trailer and remain there except for permitted exercise under the provincial guidelines

Note: Some people may transmit COVID-19 even though they do not show any symptoms.

Acknowledgment:

I acknowledge that I have reviewed these guidelines and will practice social distancing as required by the Government of Canada¹
