Dear Green Acres Campers Group Members

As the Board of Green Acres Campers Group ("GACG") continues to monitor the unprecedented COVID-19 public health emergency, we wish to update you about how we are responding in advance of the summer season.

The Province of Ontario has reduced its list of essential services, thereby ordering businesses including recreational parks to remain closed to prevent the spread of COVID-19.

As a result, GACG will remain closed to members, until further notice. No members are to enter the park until such time as recreational parks are permitted to re-open by the Province of Ontario. Penalties will be imposed on any member not complying with these measures by way of a \$500.00 fine.

We understand that members may need to enter the park to obtain personal items. To that end, we will arrange with Steven Knox, our superintendent, to be present at the park two days a week on Tuesdays and Saturday from 9:00 am to 12:00 noon. Please e-mail the corporation at gacg.info@yahoo.ca to schedule a date and time so that your name can be added to the roster on a first-come basis.

As it is necessary to ensure that no more than five (5) members are in the park at any given time, please do not show up without receiving confirmation of your request.

We hope that these measures help reduce the spread of COVID-19 and allow the park to open in a timely fashion. Yearly maintenance fees may be pro-rated and adjusted accordingly once the duration of the GACG closure is known.

We thank you in advance for your support and undertaking as we work to ensure the health and safety of our members. As this situation is evolving, please visit the corporation website www.greenacrescampersgroup.com and Facebook <https://www.facebook.com/groups/281450028880788> for further updates. We wish you good health in these challenging times.

Yours truly,

The Board of the GACG
